

DOVER UNION FREE SCHOOL DISTRICT
Request for Pesticide Notification Form

I understand that the school will register my name so I will receive 48-hour prior notification of pesticide applications within the facility, I would like to be notified. Please note that not all pesticide application is required to be prior notified. The following pesticide applications shall not be subject to prior notification requirements:

- **Antimicrobial pesticides and products** as defined by FIFRA
- **Aerosol products with directed spray** in containers of **less than 18 fluid ounces**, used to protect individuals from an imminent threat from stinging and biting insects. Fogging is not exempt.
- Applications where the school facility remains **unoccupied for a continuous 72-hour period following pesticide application**
- **Silica gels** and other non-volatile ready-to-use paste, foam, or gel insecticides in areas inaccessible to children.
- Non-volatile insecticide or rodenticidal **baits in tamper-resistant bait stations** in areas inaccessible to children.
- U.S. EPA **exempt materials** under 40 CFR 152.25
- **Boric Acid and Disodium Octaborate Tetrahydrate**
- An **emergency application** due to an imminent threat to human health – notification to the Commissioner of Health is required.

Notifications will be via US Mail or E-Mail.

Please **PRINT ONLY**: ****Only one form per family needed, not per child****
