People in the process

ML Schedules™ Software puts everyone involved with district Facility Use Requests on the same page including:

1. Community users like you.
2. School administrators responsible for managing the Facility Use Request process.
3. Athletic Directors and their staff responsible for managing Facility Requests for athletic fields and spaces.
5. School Business Officials who need to approve all Facility Use Requests and who also manage invoices and payments for approved events.

Everyone involved in the process has instant access to real-time data via any web-connected device such as a home computer, tablet or smartphone.
Supporting Media

A wide variety of media is usually used by a District to process Community Facility Use Requests including:

- **Printed forms** such as a Facility Use Request
- **Spreadsheets** to track spaces
- **Phone calls** when requested spaces are not available
- **Emails** as another means of communication
- **Ledgers** to enter invoices and payments received

- **Snail mail** to send forms and invoices
- **Signatures** of Business Officials

ML Schedules™ Software consolidates data into one secure place—the cloud.
First-Time Overview

1. **Register for new account**
   - Only needed for first-time use

2. **Log in and request space(s)**
   - Only needed for first-time use

The first time you use ML Schedules™ software, you will need to register for a new User account with a Group Name (e.g., for a youth sports team or Girl Scout troop).

You can also create multiple Group Names under one user account. Adding New Groups is described in the Log In procedure.

This Account set step is only necessary the first time you use the software. After that, all you’ll need to do is log into your district’s ML Schedules™ software account using your e-mail address and password to search for and submit requests for a desired space(s).

Many districts require external (community) Group Managers to upload the Group’s insurance certificate (in PDF or JPG format) and enter the insurance expiration date the first time you log into the system as described on page 11 of this Guide.
